TOG News

Thank you for our many volunteers.

If you know of someone who needs a meal delivered or if you need one, please call Carol Petty, Deliveries Coordinator, at 336-687-6203 by 11 AM on Mondays.

112 meals were sent out this week.

Hi Team West Bend,

Once again we have a very simple way to bless another feeding ministry on the campus of App State. The Wesley Foundation feeds students weekly and offers the gospel of Jesus to the students. Even students on college campuses are facing food insecurity and the pastors of the Wesley Foundation are trying to help. I would love for us to send a blessing to them by way of love offering. Would you please consider giving what is on your hearts to help them to fund their ministry. Please don't hesitate to ask if you have any questions. We will be accepting financial donations through Sunday, February 7. Pray and consider what you can offer. Thank you so much.

Peace and Grace!
Pastor Kari

We have received \$85 so far. Thank you for your gifts.

February 17
Drive Thru Ash Wednesday
12 PM until 1 PM

Drive straight up the driveway and turn left near the office entrance and proceed to the carport. Pastor Kari will meet you there with the ashes and to pray. Everything will be done in a sanitary fashion. We are trying to keep the holiness and seriousness of the season in balance with the necessity and seriousness of the times.

Would You Volunteer

Hi Team West Bend,

I want to thank everyone who has been so faithful in so many ways during this season of COVID.

I also thank those who have continued to worship with us whether in person, in the parking lot or online. We are continuing to be a church together and look forward to the days when the pandemic is behind us and we can gather with full peace of mind.

We have a few who are coming in person weekly and with the need to continue to present the service online and broadcast into the parking lot, we still need volunteers. Those who have been volunteering regularly need some time off from time to time.

We need help in three areas and I am hoping that you would pray and maybe offer to help on occasion. We have prepared an environment as safe as possible and we have made each as simple as possible as well.

1. Attendance taker- We need someone to remain in the back area near the door and write the names of everyone in attendance. This is important for church records and so that we can know who was at church on any given Sunday.
2. Ushers-The ushers help to set up the FM transmitter outside, which is very simple: just plug it in. We will show you. Also the ushers check temperatures at the door. This goes very quickly and those coming to church have understood the need for all of us to be on the safe side so that we can worship in person (while wearing masks and social distancing).
3. Sound board-The sound board is set up once plugged in but often we need someone to push start and end on music, as well as to start and end the recording of the service. These are very simple and you can remain in the back of the sanctuary throughout the service.

Again, we have simplified these roles. But these are vital roles to being able to have worship services. This is not just because of in person worship, but the needs are whether we are indoor, outdoor or even live stream. Would you please consider volunteering to help and relieve the volunteers. If you have questions or would like to volunteer please contact me at church or by email or cell phone.

Thank you for considering this.

Every Blessing,
Pastor Kari
