Let's all get back to church during Lent!

Let us get back into the habit of attending church. A lot of you have had your COVID-19 vaccines which we are thankful for. Invite someone today. We still wear masks during worship and spread out in the sanctuary.

Would You Volunteer

Hi Team West Bend,

I want to thank everyone who has been so faithful in so many ways during this season of COVID.

I also thank those who have continued to worship with us whether in person, in the parking lot or online. We are continuing to be a church together and look forward to the days when the pandemic is behind us and we can gather with full peace of mind.

We have a few who are coming in person weekly and with the need to continue to present the service online and broadcast out into the parking lot, we still need volunteers. Those who have been volunteering regularly need some time off from time to time.

We need help in three areas and I am hoping that you would pray and maybe offer to help on occasion. We have prepared an environment as safe as possible and we have made each as simple as possible as well.

1. Attendance taker- We need someone to remain in the back area near the door and write the names of everyone in attendance. This is important for church records and so that we can know who was at church on any given Sunday.

2. Ushers- The ushers help to set up the FM transmitter outside, which is very simple: just plug it in. We will show you. Also the ushers check temperatures at the door. This goes very quickly and those coming to church have understood the need for all of us to be on the safe side so that we can worship in person (while wearing masks and social distancing).

3. Sound board- The sound board is set up once plugged in but often we need someone to push start and end on music, as well as to start and end the recording of the service. These are very simple and you can remain in the back of the sanctuary throughout the service.

Again, we have simplified these roles. But these are vital roles to being able to have worship services. This is not just because of in person worship, but the needs are whether we are indoor, outdoor or even live stream. Would you please consider volunteering to help and relieve the volunteers. **If you have questions or would like to volunteer please contact me at church or by email or cell phone.**

Thank you for considering this.

Every Blessing,
Pastor Kari

Thank You Note

Rev. Howard & West Bend Church,

Thank you so much for your generosity to App. Wesley.

This donation will make a great impact on the lives of students!

Blessings to you all in 2021,

Justin Smith
