Let's Extend Grace Overseas!

We have extended giving through August 8th!

West Bend UMC has a wonderful opportunity to help feed people overseas. Below you can become familiar with Samson Oladipupo who has a very unique testimony of the grace of Jesus Christ. He is a leader, a king of 17 villages, a pastor, has brought many to salvation in Jesus Christ and I am blessed to call him my friend. I met Samson years ago and learned of the plight of Nigerians from their abject poverty, especially by American standards, to the frequent attacks on Christians by Boko Haram and the Fulani kidnapers.

Samson's villages face hunger regularly. There are many widows and orphans who struggle greatly. So let's see what we can do to extend our Table of Grace into Nigeria. I found out that \$100 could feed a widow with four children for about a month. \$100 could also purchase large quantities of food that could be distributed across the villages to those most vulnerable. West Bend always rises to the occasion. I'd like to see us raise at least \$500 through August 8 that could bless Samson and his people and spread grace overseas.

Won't you please begin to pray about what you will give and while you are at it, here is a list of prayer points from Samson himself:

"Prayer points: 1. Please pray for our safety and protection from the hand of Fulani kidnapers / killers. 2. Pray that Boko Haram war will come to end in Nigeria. 3. Pray for helps and support for our ministries especially with this hard and dangerous situation. 4. Our leaders are confused. Please pray that God may lead them to right decisions of peace and harmony. 5. I have arthritis on my knees. Please pray divine healings for me. I have no money for knee replacement/surgery."

Peace and Grace!

Pastor Kari

Samson Adekule Oladipupo

Greetings in the name of the Lord. My name is Samson Oladipupo. A man blessed with double opportunity of been a minister of the gospel and a traditional ruler! God called me into the ministry from the day of my conversion from Islam into Christianity by the grace of our Lord Jesus.

My ministries are: Royal Priesthood Ministry, Faith International Bible School and Tepona community development projects. All based in Tepona/Abeokuta, Ogun State, Nigeria. Royal Priesthood is the Church plant outreaches of the ministry through crusades and evangelism in Tepona land and Abeokuta city. The Bible School is the discipleship aspect of the ministry, to prepare our disciples for ministries and future missionary works. Community developments comes under my traditional rulership as the Baale (King) of Tepona land. This aspect of my ministry has enhanced the gospel works greatly. We do deep Well to provide clean drinkable water for villages where all they have is river waters alone. And that has opened doors for us to reach such villages with the gospel of our Lord Jesus.
